EducationUSA is a U.S. Department of State network of over 400 international student-advising centers in more than 170 countries. The network promotes U.S. higher education to students around the world by offering accurate, comprehensive, and current information about opportunities to study at accredited postsecondary institutions in the United States. EducationUSA also provides services to the U.S. higher education community to help institutional leaders meet their recruitment and campus internationalization goals. EducationUSA Centers are located in an array of venues including U.S. embassies and consulates, Fulbright commissions, bi-national centers, universities, and non-profit organizations.
