AMERICAN COLLEGE PREPARATION ACTIVITIES

Consultations on US Higher Education at EAC

Visitors at IRC will be able to get individual consultation and have all of their questions answered regarding the different stages and strategies of applying to US higher educational institutions along with the personal Higher Education goals in the United States.

Information Session: Study in the USA

To go through the elements of 5 steps introduction/lecture series and ensure that students are better prepared both academically and socially for a U.S. college or university, meet their unique needs, and work to determine which schools might be a good fit.

for more information.

EducationUSA is a U.S. Department of State network of over 400 international student-advising centers in more than 170 countries. The network promotes U.S. higher education to students around the world by offering accurate, comprehensive, and current information about opportunities to study at accredited postsecondary institutions in the United States. EducationUSA also provides services to the U.S. higher education community to help institutional leaders meet their recruitment and campus internationalization goals. EducationUSA Centers are located in an array of venues including U.S. embassies and consulates, Fulbright commissions, bi-national centers, universities, and non-profit organizations.
