**Please write *one paragraph* answer to each of the situational questions below.**

1. You have an assignment due at the end of the week, but because of unexpected circumstances (e.g. being sick, change in work schedule, family responsibilities, family events, etc.) you are not sure if you will be able to complete it on time. What will you do?

2. You have multiple study assignments to complete on time and you also have an important work project that takes a lot of your energy and time and that you need to complete around the same time. How would you handle this work and study load?

3. You disagree with a teammate or a co-worker on a project that you are working on together. What do you do to successfully complete the work?

4. After a month of studying you realize the GRE program is more difficult than you expected, and you are having doubts about your ability to complete the program. What will you do?
